

Active Herd Inventory Update Steps

Please log onto the AWA Digital Beef website and update your herd inventory in order to move forward with animal registrations. The following Steps 1-9 will guide you in how to complete this update.

1. Log into your herd with the provided Member # and one time Password on the Home Page.
2. Under the “Ranch/Person” tab click on the “View” arrow.
 - a. This will bring you to a General Profile Information Page.
3. On the left hand side there is an “All” tab. Click on this “All” tab.
 - a. This will give you a list of all animals that are in your herd that have not been previously identified as culled, transferred or died.

The screenshot displays the Wagyu website interface. At the top left is the Wagyu logo. The main header includes navigation links like 'Home page', 'Search Tools', 'Calendar', 'Marketplace', 'Breeder Map', and 'wagyu.org'. Below the header is a 'Work Menu' with a search bar. A left sidebar contains a 'Work Menu' with various options like 'Search/Find', 'Animal', 'Ranch/Person', 'My Account', 'View', 'Herd Mgmt', 'Customers', 'Suppliers', 'Reports', 'Tools', 'Affiliations', and 'Work Queues'. The main content area is titled 'General Profile Information' and contains member details for Jerry J. Reeves. A navigation bar below the profile information includes tabs for 'Addresses', 'Phones', 'Contacts', 'Partnerships', 'Associated', 'Account', 'Prefs', 'Herd', 'Pastures', 'Kickouts', 'CG's', and 'DNA'. The 'Herd' tab is active, showing a table with columns for 'All', 'Quick Sire List', 'Breeding', 'Yearling', 'Weaned', 'Pre-Wean', 'Females', 'Breeding', 'Yearling', 'Weaned', 'Pre-Wean', 'On Hold', 'For Sale', 'Legacy', and 'Dams of Merit'. Below the table are various filters and information sections like 'All', 'Quick sire List', 'Bulls :: Breeding', 'Bulls :: Yearling', 'Bulls :: Weaned', 'Bulls :: Pre-Wean', 'Females :: Breeding', 'Females :: Yearling', 'Females :: Weaned', 'Females :: Pre-Wean', 'Computes', 'Recip', 'For Sale', and 'Legacy'. Two pink circles with arrows point to the 'View' button in the left menu (labeled #2) and the 'All' tab in the herd list (labeled #3).

4. Go through your herd list and choose the “Dispose” tab under options for those animals you choose to remove from your active herd.
 - a. After selecting “Dispose”, it will be placed into a “Queued” file for the next step.
